WORKING TOGETHER FOR JUSTICE

HOUSING DISCRIMINATION LAW PROJECT

Free legal help for Vermonters facing housing discrimination

<https://vtlawhelp.org> | 1-800-889-2047

WHO WE ARE

Vermont Legal Aid is a statewide, non-profit law firm with a social justice mission. We provide free legal services to Vermonters facing civil legal problems that threaten their rights and well-being.

Our Housing Discrimination Law Project (HDLP) helps Vermonters whose civil rights in housing have been violated. The HDLP also conducts investigations and works to protect Vermonters' right to live where they choose.

“Thank you for helping me retain safe housing while I was attempting to find medical care for HIV and MS. Without your interventions, I would not have had the extra time that I desperately needed. I sincerely appreciate your help.”

- HDLP Client

Fair Housing Testing

We conduct fair housing tests to find out if Vermont landlords, realtors, and others are following fair housing laws.

Advice and Representation

We advise Vermonters about their civil rights in housing and their options. We represent people whose civil rights were violated.

Community Education

We educate tenants, landlords, other housing providers, policy makers, officials, and the public about housing discrimination in Vermont.

Policy Advocacy

We represent the interests of Vermonters in the state legislature, with state agencies, and with municipal and regional planners to address the systemic and institutional causes of housing discrimination.
