<https://vtlawhelp.org> | 1-800-889-2047

WHO WE ARE

Vermont Legal Aid is a statewide, non-profit law firm with a social justice mission. We provide free legal services to Vermonters facing civil legal problems that threaten their rights and well-being.

We don't charge for our services. We're funded through private donations, as well as state and federal grants.

"When I first contacted you, I had lost all hope. I was on the verge of a nervous breakdown. You have changed (and saved) my life. So THANK YOU for all that you've done!"

- VLA Client

HOW WE HELP

Poverty

We help people get benefits they qualify for. We help protect clients' income and benefits from debt collectors and others.

Protection

We protect individuals and families who are abused and mistreated. We help women, children, people with disabilities, and seniors move out of dangerous situations. We help defend clients' rights and rebuild their lives.

Housing

We work to protect clients' rights to safe, affordable housing and make sure they are treated fairly. We stand up to landlords who don't follow laws designed to keep tenants safe.

Care

We help Vermonters get access to affordable health, mental health, and long-term care. We help clients get the care services they need in their communities, including seniors and people with disabilities.

Rights

We fight to make sure clients have access to education and housing. We help empower them to make their own life choices.

WHO WE HELP

We help Vermonters with low-incomes, seniors and people with disabilities, people facing discrimination, and anyone who has a problem related to health care or health insurance.

Legislative, Administrative, and Policy Advocacy

We represent the interests of low-income Vermonters in the state legislature with state and federal agencies to address the systematic and institutional causes of poverty.
